

# In A Nutshell

See Possible Scoring Token Tube Configurations Below

## Class Scoring Token Tubes

Each class has 1 color.  
Students fill the shortest tube, then the medium tube, and finally the long tube. →

## Group Scoring Token Tubes

- 6 Colors Per Class (With 6 Groups)

OR

- 1 Color Per Class (With 6 Groups)

Each group in a class has their own tube to fill.

Their **scores are added to determine a class score**, but this allows a top group also to be determined for each class.

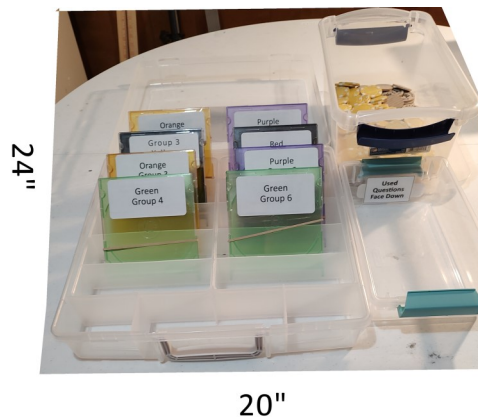

## **Fast Facts Challenge Station**

This sits on a small, round table, which I bring.

## **Answer Station**

(Space Needed)

This tube setup can accommodate up to 6 classes and can be configured as a hexagon using either of the group tubes setup.
